ON THE ROAD AGAIN

It's almost time for the 2nd annual *Wounded Warriors Family Support High Five Tour* to hit the road. For four weeks, Colonel Folsom, USMCR (ret.) will be traveling coast to coast raising awareness and support for our wounded warriors. Tour stops will consist of visits to each state capital city with the opportunity to sign the Shelby Mustang, meet Colonel Folsom and donate to a worthy cause. So be sure to participate and show your support of our military families, and help make the *Wounded Warriors Family Support High Five Tour* a success!

I would personally like to thank the great members of the Mustang Clubs of America for their support. The success of the High Five Tour and the military families who benefit from our programs are in great part due to the participation of individual and Regional Club members.

I invite anyone interested in this years tour, to contact me and together we can make 2011 more successful than ever.

Semper Fidelis!
