G300—Intermediate Incident Command System Course for Expanding Incidents

February 12-13, 2018 • 8am—5pm each day
LDCFM Jayhawk Fire Station #5 - Jayhawk Room
1911 Stewart Ave. Lawrence, KS 66047

This course provides training on and resources for personnel who require advanced application of the Incident Command system (ICS).

Objectives

- Describe how the NIMS Command and Management component support the management of expanding incidents
- Describe the incident/event management process for supervisors and expanding incidents as prescribed by the Incident Command System
- Implement the incident command process on a simulated expanding incident
- Develop an Incident Action Plan for a simulated incident

Target Audience

The target audience for this course is individuals who may assume a supervisory role in expanding incidents. Note: During expanding incidents, some or all of the Command and General Staff positions may be activated, as well as Division/Group Supervisor and/or Unit Leader level positions. These incidents may extend into multiple operational periods.

Prerequisites

- **IS-100**—Introduction to the Incident Command System (ICS)
- **IS-200**—ICS for Single Resources and Initial Action Incidents
- **IS-700**—National Incident Management System (NIMS), An Introduction
- **IS-800**—National Response Framework (NRF), An Introduction

All Independent Study (IS) courses are available online (free of charge) at the FEMA Independent Study website: <http://training.fema.gov/IS/crslist.asp>

The deadline to register is February 5, 2018.

Lodging is not offered for this session.

TRAIN User FAQs

How do I sign up for a TRAIN account?

Log onto www.train.org Click on “Create an Account,” which appears underneath the login on the left hand side of the screen. Fill out the form and review and accept the TRAIN Policies. When you have finished, click “Create Account.” This will take you back to the Home Page and you’re all set.

What do I do if I forgot my password?

From the Home Page, click on the Forgot Your Login Name/Password link (above the blue Login button) to reset your password. Your login name will be emailed to you shortly with a link to reset your password. If you have not received the email after a few minutes, please check your spam settings. You can also contact the KS-TRAIN Help Desk at kdhe.kstrain@ks.gov

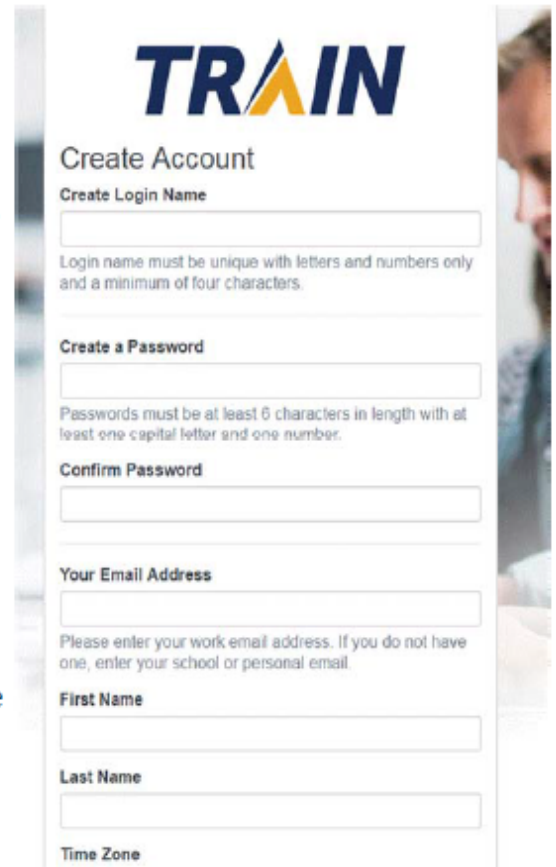

How do I access my learning record?

All of your course registrations can be found by clicking “Your Learning” in the top menu. You will be brought to the “Your Current Courses” tab which will display all courses that you are currently registered for along with courses you added but have not yet registered for. Other content will be displayed within the additional tabs found under “Your Learning.”

TRAIN Tutorials also available

TRAIN also offers several short video tutorials here: <https://www.train.org/tutorials/>
