MEMORANDUM FOR DISTRIBUTION

SUBJECT: TAG Policy Letter #5, Security Precautions for General Officers

1. The security procedures for General Officers are a matter of concern worldwide as a result of increased terrorist activities. While the attitudes of our communities across our State are positive relative to the military in general, precautions are a necessity in meeting and maintaining our objectives for mobilization and readiness.
2. Commanders and supervisors at all levels must be aware of the need for certain precautions with regard to General Officers. Protocol officers, General Officer execs and aides, Command Sergeants Major, Command Chief Master Sergeants and drivers will place particular precautions, when and where applicable, in the display of General Officer auto flags and star plates. Should General Officers choose to display auto flags and/or star plates on military sedans and aircraft, they will be displayed on military installations only.
3. General Officer itineraries will be provided on a "NEED TO KNOW" basis only.
4. The purpose of this policy is to ensure the safety, in as much as possible, of the General Officer and ensure the understanding of requirements and policy of the Adjutant General.
5. Point of contact for this memorandum is the Anti-Terrorism Program Manager at (785) 646-0359.
6. This policy supersedes TAG Policy Letter #5 dated 24 June 2011.
