MEMORANDUM FOR All Kansas National Guard Personnel

SUBJECT: Newly Designated Smoking Area at State Defense Building

1. The 190th Air Refueling Wing civil engineers recently completed a project to add a smoking area at the south end of the State Defense Building. This is the only designated smoking area for the State Defense Building.
2. All personnel and visitors to the State Defense Building are now required to smoke in the newly designated smoking area.
3. No smoking signs will be placed on the loading dock, and smoking is no longer permitted in that area.

A handwritten signature in black ink, appearing to read "S. Dold", is positioned above the typed name.

SCOTT A. DOLD, Brigadier General, KSNG
Chief of Staff
Joint Forces Headquarters-KS
