

## Registering for ATCTS

### Registering for ATCTS:

1. Click this link to register on the website: <https://atc.us.army.mil/iastar/register.php>
2. An AKO **or** Enterprise Email Address is required to register. All Remaining Fields are required.
3. When you get to this form fill in all of the information on the screen. When you get to "Personnel Security Standard" please select IT-III for all general users.
4. After you have selected Occupational Specialty do NOT select the box that says "I have the specialty type INFOSEC on my SF50".
5. Under HQ Alignment (MACOM) click the drop down tab and select "Army National Guard(NGB)". Click the link to select your subordinate unit and scroll down to where it says "DOIM KS" and click the Select Button. It will ask you if you want to keep the same selection for the next unit please select the Yes button.
6. After you hit register you will be prompted to take a questionnaire. If you are just a "General User" that is what you are going to select.
7. Once you complete the questionnaire you are done with registering on ATCTS.
